What [Shayne Grimes](#) likes about Skyline Chili: another great skyline location. really clean restaurant and easy to reach and wait for fast. the same great taste and very friendly robot to bring out my food lol. nice touch and it didn't go into anything! especially thanks to the Coney author here (which are not robots) for a great dinner. just say aka striper king [read more](#). What [Jed Fritsch](#) doesn't like about Skyline Chili:

I love Skyline. This location, however, is by far the worst I've experienced. After reading my order the first time, I had to make a correction and they didn't hear the tail part of my order. I understand, it happens. I corrected one item and told them about the item they missed. They did not confirm the order or even the corrected items. As a result, they missed the item again and obviously we didn't receive it. Thi... [read more](#). If you're desiring some spicy South American cuisine, you've come to the right place: delicious meals, roasted with fish, seafood, and meat, though corn, beans, and potatoes are also on the menu, Particularly, many customers are looking forward to the diverse, tasty [Mexican](#) cuisine. The restaurant also offers Greek specialties such as Gyros and Souvlaki with corresponding sides, and you can try fine American menus like **Burger or Barbecue**.
