Do take out at least 2x/ month. One of my favorites. Food is great, with large portions, which makes it worth the price. Employees are always friendly. Never had any issues with orders picked up. Everyone in the restaurant works very hard. [read more](#). What [Ahb Tap](#) doesn't like about Papas Pizza:

The server was very nice and helpful, but the food itself was quite a bit bland. It could just be an issue with the spaghetti special that I ordered in particular, but from my perspective, the food was nothing special. Good for a simple sit-down family dinner. [read more](#). Papas [Pizza](#) from Asheville provides *tasty, good digestible Mediterranean cuisine* with its typical dishes. Also, the Greek specialties are also very popular with the customers of the restaurant. Of course, there's also tasty pizza, baked straight from the oven according to traditional recipes. Many customers are also particularly looking forward to the diverse, fine [Mexican](#) cuisine.
