What [Betty Parisian](#) doesn't like about Steak n' Shake: I don't even know how this stake and shake is still opened. I have never tasted a hamburger so bad. Feeling as if you're in an American Hollywood movie once, and to consume the experience; that's always possible in this *stylish decorated diner*. Of course, you also have to try the **delicious burgers**, that come with sides like fries, salads, or wedges offered. Of course, we must not forget the extensive variety of coffee and tea specialties in this locale, There are also tasty South American menus in the menu.
