What [Lora Michaels](#) doesn't like about Seven Angels Restaurant:

2nd visit (1st was 4 years ago), all I ordered was over easy eggs, bacon, fruit coffee. My over easy eggs were very over-done, with a hard yolk. Yuck. Very disappointing, as I've been craving them. my 1st visit wasn't great either (hence the 4 year gap between visits). If you're gonna serve eggs, you might want to take more time training your cook's how to do so properly. Fruit was fresh delicious. On the other hand, my son ordered the Mickey Mouse pancakes, loved them. Our waitress was great, very attentive re-filled my coffee several times. At Seven Angels Restaurant from [Chilton](#) you can **savor delicious vegetarian courses**, in which no animal meat or fish was processed, Also, the guests of the establishment love the comprehensive variety of differing coffee and tea specialities that the establishment has to offer. Fresh seafood, meat, as well as corn and rice are also *South American* cooked here, Inthemorning a versatile brunch is offered here.
