I guess not all albertos mexican restaurant serves the same tacos. this place served their tacos with 1 tortilla instead of double-ortillas. when I ordered the taco, the guy who worked there wondered if I wanted the small or big taco. I find that very interesting, because when I was in another location franchise, they only had big tacos. either so it is still an amazing place to get the best tacos. [read more](#). What [Terrance Walter](#) doesn't like about Alberto's [Mexican](#) Restaurant:

RAW MEAT!BEWARE!! I have been getting lunch at this Alberto's at least once a week for the past year. I always get the chorizo and egg burrito. But, today I ordered my burrito and when I bit into it, all of the chorizo was bright pink. I brought it back and told them and the older lady gave me attitude and said the chorizo they use is pink after being cooked. I told her I would like a refund and she demanded a receipt...
