Teppanyaki from Chicago, *scrumptious sushi* (e.g., *Nigiri and Inside-Out*) is prepared for you, along with numerous additional variations, always fresh with ingredients like fish, vegetables and meat, and healthy Japanese meals are being made with lots of freshly harvested vegetables, fish and meat. You can still relax at the bar after the meal (or during it) and enjoy an alcoholic or non-alcoholic drink, Furthermore, the customers love the successful combination of different dishes with new and partially experimental products - a good example of successful Asian Fusion.
