Fraizer'S from Dover is a *relaxed café*, where you can have a small snack or cake with a warm coffee or a hot chocolate, Furthermore, the drinks list in this restaurant is impressive and offers a good and comprehensive assortment of beers from the area and from worldwide, which are definitely worth a try. In this restaurant there is also an comprehensive diversity of coffee and tea specialties not to forget, Particularly with the bite-sized **Tapas**, you can't do anything wrong, because there is something for all tastes.
