It's McDonald's so you can't compare to non-fast food places, but this is their restaurant for their global headquarters. This is the place where the McDonald executives eat (though I've never seen them actually eat there). It's super clean thanks to the staff and the service is impeccable--at a fraction of the cost to the Corporate Food Court on Randolph and Fulton. You can spend more in restaurants across the s... When the weather conditions is nice you can also have something outside. What [Arwa a](#) doesn't like about McDonald's:

Came here after hearing this was the global McDonald's and was sad to see such limited international options. It was a spacious McDonald's and the service was great, but the menu was really just all regular menu items with THREE international options. I have heard they rotate options every so often, but to only offer a mocha Oreo McFlurry from Japan, taco shaker fries and a McSpicy hardly earns this place a visit for... [read more](#). At McDonald's in Chicago, you get a *abundant brunch* in the morning and you can eat as much as you want indulge. Naturally, you should also taste the delicious burgers, accompanied by sides like fries, salads, or wedges provided. As a rule, most **dishes are prepared in the shortest time for you** and served, For a snack, the yummy **sandwiches**, healthy salads and other snacks are suitable.
