On this website, you can find the **complete menu** of **Backyard Taco** from Gilbert. Currently, there are **16** menus and drinks up for grabs. Backyard Taco in Gilbert has received mixed reviews, but my experience was truly amazing. The food was flavorful and fresh, particularly highlighting the Horchata. While some feel the seasoning is lacking, the quality of the meat and fresh salad bar are standout features. The Carne asada burrito and pollo tacos are highly recommended. The restaurant also offers a variety of tacos and sides, with a salsa bar that enhances the dining experience. Clean tables, great service, and enjoyable atmosphere all make Backyard Taco a must-visit, despite some inconsistencies in customer service experiences. Overall, it's a great spot to satisfy your Mexican food cravings.
