If you're craving some spicy South American cuisine, you've come to the right place: delightful meals, cooked with fish, seafood, and meat, though **corn, beans, and potatoes** are also on the menu, Besides the tasty **sandwiches**, small salads and other snacks also make a good snack. Most often, the burgers of this place, which are among the highlights, are offered along with filling side dishes like fries, leaf and cabbage salads or wedges, The *barbecued food* is freshly prepared here on an open flame.
