Why not take a look or help Menulist and upload the menu here. What [Joseph T](#) likes about Horn Of Africa Bistro:

Kind of a hole in the wall place next to an industrial area near the airport. Samusas were delicious. The Kati Kati was excellent. It's an African bread cooked in a soup with vegetables and meat. Friendly service and the food was cooked fresh and served hot. Perfect stop if your on the way to the airport and need a quick, delicious meal.

[read more](#). What [User](#) doesn't like about Horn Of Africa Bistro:

Good people, generous, original murals on two walls, one of the sea and shore; I got to meet the lovely person who has run Horn of Africa for years and her son, a young professional: I enjoyed the fried tilapia with basmati rice and a side salad, called ahead with my order for convenience [read more](#). Admirable is this small yet fine **Bistro**, not only for its ambiance, but also for its selection of typical, delectable dishes usually at affordable prices.
