This place has the most delicious doughnuts I have ever eaten. The texture of the doughnut is soft and moist just right and flavour was superb. They did not miss with what they do. The passionfruit doughnut was my favorite. Try them you won't be disappointed. [read more](#). The restaurant offers complimentary WiFi for its guests. What

[Steven DeLaurentis](#) doesn't like about Dough Doughnuts:

I so wanted to love these donuts, they are big, beautiful and unique flavors but they just miss the mark for me. The quality is obvious but they lack sweetness that I crave and the donut is just too yeasty and dense for my [read more](#).
