If you're desiring some **hot South American gastronomy**, you're in the right place: tasty dishes, prepared with **fish, sea creatures, and meat**, but also corn, beans, and potatoes are on the menu, For a snack, the delicious sandwiches, healthy salads and other snacks are suitable. At the bar, you can still relax after the meal (or during it) with an alcoholic or non-alcoholic drink. In addition, the drinks menu that is offered in this established eatery is impressive. It offers a diverse diversity of beers from the region and the whole world.
