If you want food poisoning for \$18 this is a place to go. Perfectly pairing with the meals of the establishment are the fresh and tasty **juices** on the drinks menu, You shouldn't miss the opportunity to try the delicate pizza, baked straight out of the oven in an original manner. The delicious **Sushi such as Maki and Te-Maki** however, is the undisputed highlight of this restaurant, and you may look forward to the delicious typical seafood cuisine.
