What [User](#) likes about Red Lobster: We went to Red Lobster in Golden Valley last night for the birthday. The restaurant was clean and looked nice and the dishes and drinks were delicious. Our server (Marraya G! was super friendly and attentive and created a really great evening. [read more](#). The rooms in the restaurant are wheelchair accessible and can also be used with a wheelchair or physical limitations. What [User](#) doesn't like about Red Lobster: Usually a great experience. This special visit was not good. I ordered the surfing and the lawn. Shrimp was good. Steak was very rare (I ordered medium) they tried to cook it more. It came back. Management was very accommodating. You have adjusted my bill accordingly. I will visit again in the future. [read more](#).
