**The Card** of Tomoyo from Palisades Park includes about 17 different dishes and drinks. On average, you pay for a dish / drink about \$13.8. This sushi restaurant boasts an appealing ambiance and friendly staff but has received mixed reviews from patrons. While some appreciate the fresh sashimi and unique offerings, others raise concerns over pricing inconsistencies and the authenticity of its omakase selections. Diners enjoy the fire roll and generous platters that cater to groups, yet some dishes lack flavor and value for money. The restaurant features metered parking and a spacious dining area, making it a convenient choice, especially with the option to bring your own alcohol. Overall, while it holds promise, guests should be discerning before indulging.
