Here you will find the [menu](#) of Chili's Grill in Shelton. At the moment, there are **14** dishes and drinks on the menu. Chili's promises a vibrant dining experience, yet recent visits reveal inconsistencies in food quality and service. While attentive bartenders and friendly staff have garnered praise, some patrons report disappointment with soggy salads, dry wings, and incorrect orders. Cleanliness and management appear to vary, with instances of overlooked messes. Despite these setbacks, many appreciate quick service and flavorful dishes, particularly at select locations. The restaurant's charm lies in its potential for memorable meals, though the unpredictability may deter repeat visits. For those willing to take a chance, Chili's remains a place with both highs and lows.
