What [Timothy Poppert](#) doesn't like about Hartford Square:

Good if you like organic options, but felt a bit over priced. We sat outside in the a.m. and it was beautiful. I had a chicken burger that tasted great, but barely held itself together. The plain bottomless coffee was very weak, like water. It was prettycheap for bottomless though, and they offered an excellent variety of fixens. So overall three stars, but the coffee was morelike 1.5. [read more](#).
