I just wanted to start by saying that our same server again, (the girl with the tats) was great!! The Hibachi table we reserved was very dirty with old sticky stuff on the seats we were not that impressed with our grill guy. With those higher prices percentages added on a small party people expect a better experience. [read more](#). As a visitor, you can use the WLAN of the place free of charge. What [User](#) doesn't like about Kobe Hibachi Grill And Sushi:

I've eaten here before and love the food, but today not a single person greeted our table for 30 mins. So yeah your servers are not the brightest and don't have common sense. Pretty insane they all have jobs. [read more](#). For guests of the establishment, the **catering service** is also available, Furthermore, the customers love the creative combination of different dishes with new and partially experimental ingredients - a nice example of successful *Asian Fusion*. Kobe Hibachi Grill And Sushi uses a lot of fresh vegetables, fish and meat for its healthy Japanese cuisine, **fine [vegetarian](#) menus** are also in the menu available.
