The breakfast burrito at the table next to us look great and so did the biscuits and gravy. Attached are the menus for prices. [read more](#). What [Michael Giza](#) doesn't like about Hash House A Go Go:

Considering it's location inside a [24/7](#) casino the hours seemed short, closing early. A reduced menu is available during the main dining hours. The food is good but I felt we had to hunt down our server for refills etc. Would consider an alternate location to eat in the future. [read more](#). If you're desiring some hot South American gastronomy, you're in the right place: delightful meals, made with *fish, sea creatures, and meat*, but also **corn, beans, and potatoes** are on the menu, and you can try tasty American dishes like Burger or Barbecue. When you're not so hungry, you can just treat yourself to one of the fine sandwiches, a healthy salad or another snack, Also, the visitors of the restaurant love the comprehensive selection of various coffee and tea specialities that the restaurant has to offer.
