If you want a good place to eat and or just hang out with friends or your significant other come here, you won't be disappointed. [read more](#). What [Adam B](#) doesn't like about Tbar:

The food is awful. Felt that the porterhouse was really nothing special but carried a higher price for absolutely no reason. The sauces were mediocre. Definitely a nice addition to the area, but nonetheless not the breathe taking experience i had hoped for. [read more](#). For those who want to **a beer after work** and sit with friends or alone, Tbar from Broad Channel is a good bar, fine particularly are the Maki and specialties like Sashimi that this place is known for. It goes without saying that a suitable drink completes a meal; therefore this **gastropub** serves a sophisticated diversity of delicious and regional alcoholic options, be it beer or wine, You shouldn't miss the opportunity to try the crispy and crunchy pizza, baked fresh in an traditional manner.
