What Stu Petrie likes about Burgerology Huntington: We, family of four (with two teen-agers), ate her a couple of times whilst staying in NY for the week and were very happy. A great menu, the food was tasty, spicy wings, burgers, all good, great drinks choice, particularly the cocktails and the milkshakes were brilliant. The service was great to excellent and felt really welcome each time we went in (a couple of other times just for drinks). I defo recommend! read more. The restaurant also offers the possibility to sit outside and be served in pleasant weather, and there is no-charge WiFi. What Stu Petrie doesn't like about Burgerology Huntington:

It not bad, but it is just average, great for when you don?t want a crowded restaurant (or at least tonight everyone else was too busy at Rockefeller center to be on this side of town). Ambiance gets an 8 and the food gets a 6+ It is a pet peeve of mine when restaurants use shredded lettuce on a \$15 or \$19 sandwich. However taste wise it wasn?t bad, but not great. read more.
