I went to eat with a friend, she ordered a tray paiza and I had a hot dog, the juices were delicious, but the dog was nothing to do with, the bread was hard and old, as were the potatoes they put on top. The paiza tray lacks details to make it so, such as the arepa (it is very toasted), the tasteless beans and finally the very toasted pork rinds, The service is very good as is the atmosphere read more. An additional service offered by the restaurant is the **catering service** for visitors, And of course, you should also try the tasty burgers, with sides such as fries, salads, or wedges offered.
