A complete [menu](#) of Kimchi Time from Tucson covering all 14 meals and drinks can be found here on the food list. For seasonal or weekly deals, please get in touch via phone or use the contact details provided on the website. What [User](#) likes about Kimchi Time:

love this place! I brought my wife here for the first time and she loved the grilled chicken bulgogi while I ate the kimchi fried rice. it was a great time with my wife in my favorite restaurant [read more](#). The diner and its premises are wheelchair accessible and thus usable with a wheelchair or physiological disabilities. What [User](#) doesn't like about Kimchi Time:

Be aware that they will charge you more than the price shown on the menu. Food was okay. Took over 30 mins for a kimchi fried rice and a dumpling soup to come out. [read more](#). At Kimchi Time in Tucson, **tasty, juicy, delicious meat is freshly roasted** on an open flame and served with flavorful sides, and you can look forward to the tasty classic [seafood](#) cuisine. Not to forget are the typical *Korean menus* like Kimchi, Bibimbap and also Jjigae, which have a fixed place on the menu card and also on the plates of the visitors.
