These tacos are hands down some of the best you'll ever taste. You won't regret stopping by this place! Despite the wait, the price, and the long line, every aspect is absolutely worth it. [read more](#). The diner is accessible and can therefore also be used with a wheelchair or physical limitations. What [Jay E](#) doesn't like about Tacos Guadalajara:

Ordered a Taco de Asada (2\$ can't say it's the best I've had but the meat is soft although a tad dry and lacklustre. They could also take it a bit easier on the cilantro and onion (preferably dice the onions better and pick the cilantro better as well. The green and red sauce are both extremely spicy (Good for those who love a kick in their food however I failed to taste anything except the spice. It didn't stand out... [read more](#). Get excited about the *diverse, scrumptious Mexican cuisine*, which is traditionally cooked with corn, beans and chilies (hot peppers).
