You come here for great food, reasonable prices and fast service! Atmosphere isn't their strong suit but they make up for it in the quality and quantity of their food! I got a meal with grilled chicken, rice, beans and lettuce/tomatoes. It was enough for 3 meals! Also for my pop loving friends the cup was huge and they still gave me a free refill! Floated out of there stuffed and more than satisfied ! read more. What Jessica McCoy doesn't like about Alejandro's Mexican Food:
A local favorite. However I do feel their food quality has declined a bit over the last couple years. They are always speedy and friendly. They do move pretty quickly, so be sure to repeat any special requests for them if you want your order to be just right. Superb value for quantity of food. read more.
