I love this specific Panera. I travel 20 minutes from my residence just to purchase their Chai Tea Latte. It's the best! Also, the manager is amazing and accommodating. Last but not least, I tried the Southwest Caesar Salad for lunch. Try it! [read more](#). What [chris alex](#) doesn't like about Panera Bread:

1.29.2024 Was there last week. I know a lot of people who love it but it's very average to me. The restaurant has the cafeteria feel to me, and is dated, they are screaming names from the pickup counter, order takers just look at you until you order, no greeting no smiles and food is basic. That said, it is consistent and it's not bad. Easy place for a meal and you know what you'll get. Solid variety, soups, sandwiches, sales and sweets. A visit to Panera Bread is particularly valuable due to the extensive variety of *coffee and tea specialties*, Besides the fine sandwiches, small salads and other snacks also make a good snack. Naturally, they also serve you with delicious pizza, baked straight from the oven in traditional style.
