A complete [menu](#) of Thai Spice from Fort Walton Beach covering all 15 courses and drinks can be found here on the card. Mixed reviews for a Thai restaurant: disappointing dishes, with excessive spice levels, and confusion over menu items. However, positive highlights include a diverse menu, great flavors, and friendly staff. The atmosphere is laid back with karaoke nights and good drinks. While some issues like slow service and the need for a deep clean were noted, the delicious food and welcoming staff make it a must-visit spot. Overall, a varied dining experience with room for improvement but a promising option for Thai cuisine lovers.
