What [User](#) likes about Island Pops:

I've been craving rum and raisin ice cream like back home in Guyana. And the one here didn't disappoint — it tastes just like home's, just not as sweet which was perfect because I also had the homemade banana bread, which was so divine. There's outdoor seating, and you can get ice cream (including non-dairy) in a cup, cone, or to take home. [read more.](#)
