The best Korean bbq and so far the best cost effective ratio in town. I tried almost every Korean bbq in San Francisco. K element is the best price quality customer service side dishes my son adores the beef short ribs
friendliness: Absolutely the best family dine out option. [read more](#). The premises in the restaurant are wheelchair accessible and can also be used with a wheelchair or physiological disabilities, Depending on the weather conditions, you can also sit outside and eat. What [Shish Kebabs](#) doesn't like about K-elements Bbq:

Food was alright for a Korean bbq place. Portions were very small however and took awhile to prepare. Worst part was the app that you needed order. Only one person could order at a time and the UI was terrible to use. If they stopped using this app things could be much [read more](#).
