Here you can find the [menu](#) of Buffalo Wild Wings in Cleveland. At the moment, there are **16** meals and drinks on the card. At BW3s, the lively atmosphere and extensive sports coverage captivate patrons, but service inconsistencies leave much to be desired. While exceptional wings, an enjoyable black bean burger, and flavorful beer-battered fish stand out on the menu, diners often contend with long wait times for both food and drinks. Happy hour selections appear limited, and many guests express frustration over menu items not accommodating dietary needs. Despite a few shining instances of great customer care, notably from attentive servers, the overall experience can be marred by staffing shortages and lackluster communication, prompting patrons to seek alternatives.
