What Earl Bailey doesn't like about Warren Travel Plaza:
My Grandparents managed this place when it was Dins Truck Stop. They would roll over in their grave if they knew what it is today. In this gastropub, you not only get delicious menus from the menu but also a comprehensive and particularly good assortment of **good beers and other alcoholic beverages** that go well with the food, With traditional Indian spices, menus are delicious and freshly prepared. You have the option to, after the meal (or during it), still relax at the bar with an alcoholic or non-alcoholic drink, The barbecue is freshly *prepared* here on an open flame.
