Here you can find the [menu](#) of Jardin De Pollos in Dunedin. At the moment, there are **12** dishes and drinks on the menu. You can inquire about seasonal or weekly deals via phone. What [User](#) likes about Jardin De Pollos: The service is always great. Everyone is so friendly and make you feel at home. The food is cooked fresh and is excellent. The dining area is an oasis. It's a great place for a casual bite, a sangria, or a beer. [read more](#). In nice weather you can even eat in the outdoor area. What [Lewis Glass](#) doesn't like about Jardin De Pollos: No liquor license. Ran out of food by 8:00 pm on a Friday night. Very few parking spaces. Drove right past it and had to go around the block. Outside seating on a cool breezy night was nice. Wouldn't want to be here during the summer. [read more](#). If you're desiring some *spicy South American cuisine*, you've come to the right place: delightful dishes, cooked with fish, seafood, and meat, though corn, beans, and potatoes are also on the menu, The barbecue is freshly **prepared** here on an open flame. There are also scrumptious American dishes, for example, burgers and grilled meat.
