What [User](#) likes about Ono Hawaiian Bbq:

excellent value! good quality and delicious food. in the inner is somehow boring and could use more Hawaiian flare. is worth visiting. this place is now on my favorite list! [read more](#). In beautiful weather you can even eat and drink in the outdoor area. What [User](#) doesn't like about Ono Hawaiian Bbq:

I never had this place, so I thought why not try. super disappointed. I have the chicken catsu with rice and mac. the hen had a lot fat on it. no taste. I didn't finish it. barely taken a few bites and just didn't like it. the mac was in order and they had my order within a minute. the service was super fast, but all in all the waste of my geldes. it lacks taste. [read more](#). If you're desiring some **spicy South American cuisine**, you've come to the right place: delightful meals, roasted with fish, seafood, and meat, though corn, beans, and potatoes are also on the menu,

The inventive fusion of different dishes with fresh and occasionally daring products is highly valued by the customers - a nice example of Asian Fusion. Also, they proffer you **flavorful seafood menus**, The barbecue is freshly *grilled* here on an open flame.
