The Menu of Panda Express from Elkhart contains about 16 different dishes and drinks. On average, you pay for a dish / drink about \$4.8. Panda Express has garnered mixed reviews lately, reflecting a declining experience for some patrons. While many appreciate the quick service and familiar flavors, others express disappointment over inconsistent food quality and portion sizes. Ironically, the location's inability to provide sample tastings, limited [vegetarian](#) options, and recurring shortages—like running out of ice or key ingredients—detracts from its appeal. Despite the challenges, some diners still admire the hardworking staff and the restaurant's signature dishes, such as the addictive orange chicken. With improvements in service and offerings, this Panda Express could reclaim its reputation as a go-to fast food choice.
