2 great friends and I enjoyed a delicious late lunch here! The burgers were very delicious. Service was very fast, although on the busy side and a small place. Probably only 3 maybe 4 people. Everyone was very polite and happy. The burgers are made with local ingredients. Local beef too! I can't say enough about how good that was. We're going back! Don't expect a big place. It is a small place with great taste!! Enjoy!!!. In case you're hungry some seasoned South American cuisine, you're in the right place: delightful meals, cooked with fish, seafood, and meat, but also corn, beans, and potatoes are in the menu, and you have the opportunity to try tasty American dishes like Burger or Barbecue. Typically, the **burgers of this place** are served as highlights along with sides like french fries, leaf and cabbage salads or wedges.
