What [User](#) likes about Tasty House li: the tasty house has 15 vegan entrees on the [vegetarian](#) menu, in addition to the classic vegetable menu that they would find at most other Chinese take-outs. they have been using for some entrees and soy for others (the more expensive are in the soy.) their tofu dishes are also great. they have always looked after my special requests without problems. to be clear, I have almost always ordered online via beyond menu' t... [read more](#).

What [User](#) doesn't like about Tasty House li:

they served me more than once genuine meat after I had taken care of that what they would serve me came from the Veg menu, they are serving me just flesh. that was not a mistake. that was a deliberate color they used to inflate the price of their food. they lied to me, lie to all those who have ordered, and forced me to be responsible for the suffering I am going out of mine to avoid. I trusted them and had no reason... [read more](#). At Tasty House li from East Islip you can savor delicious [vegetarian](#) courses, in which no animal meat or fish was used.
