I love love love this place!!! Very friendly and fast service. The iced green tea is great and I would recommend the crab rangoon as an appetizer. One of my all time \*order it every time\* favorite roll would be the butterfly roll, its on the sweet side and tastes like heaven! Spider roll, special dragon roll and the Philadelphia are a few of my favorites. Don't forget to get dessert, the ice cream is awesome. [read more](#). The diner is accessible and can therefore also be used with a wheelchair or physiological limitations. The customers love it when Asian cuisine meets a bit of creativity. That's exactly what you can expect at the Hokkaido from Michigan City, with its creative Asian fusion cuisine - the right mix of traditional meets the adventurous world of fusion cuisine, the menu also includes *tasty [vegetarian](#) dishes*. The preparation of the menus is done authentically Asian, and it's made with lots of freshly harvested vegetables, fish and meat, healthy Japanese meals cooked.
