Daughter had a passion fruit Boba it was good and I had the chai. So hot I couldn't drink it for at least 20 minutes but that's better than cold!. The flavor was delicious! [read more](#). What [Reymundo Schowalter](#) doesn't like about Roppongi:

we visit the family in tulsa, and I was excited to see a vegan option for ramen! we really believed it, and have some vegan rams, early rolls and gyoza to go. overall it was a rather disappointing experience. the gyoza was good (but quite fat.) the early rolls were blanching (no crumbling or textur differences in them) and the peanut sauce was just as good as many others I had. the rams were the greatest disappointme...
