this is a great spot for breakfast and lunch! I had the scratchy egg and cheese sandwich to the breakfast. had only the cheese steak with pommes, both were delicious. it had a lot of meat. just \$10 for the couple. [read more.](#)

What [User](#) doesn't like about T J's Carry Out:

2 steak and cheeses that were under the average for me were not enough meat and the cheese was not melted, there seemed a kind of cheese food product not really bees there as well as it was American yellow cheese that she did not give an option for provolone and the half of what I asked to put on it was not. friends were good. probably not order from here again, at least no steak and cheese sub. For breakfast, a diverse brunch is offered at T J's Carry Out in Linthicum Heights that you can sample according to your mood, Besides the fine **sandwiches**, small salads and other snacks also make a good snack. Typically, the burgers of this restaurant are served as highlights along with sides like fries, salads or wedges.
