Got an original Angus Burger Combo that is 1/3 lb. Angus beef patty with American cheese, salad, tomatoes, red onions, pickle, mayonnaise, ketchup, mustard on a potato bun. Includes fries and a drink. I've always loved that hardees coal broils her beef makes her so good! [read more](#). What [User](#) doesn't like about Hardee's:

Every time I go by there they claim they're closed but everywhere I look says they're open and until 10pm at that. It seems like anytime after 7pm they say they're closed. Seems like they either need new management/crew or just shut it down completely because it doesn't matter what time of day I go by it's either trash for service or they say they're closed. In case you're hungry some *seasoned South American cuisine*, you're in the right place: delicious dishes, roasted with fish, seafood, and meat, but also **corn, beans, and potatoes** are on the menu, and you can try scrumptious American dishes like Burger or Barbecue. You can just get one of the fine **sandwiches**, a healthy salad or another snack, if you're not that hungry, in the morning a delicious brunch is offered here.
