Food was very tasty. We had 2 lunch specials. The green curry beef was thick and savory, and the vegetables story fry was seasoned nicely. We also had the tomyun soup. It was sour as it should be and had 4 shrimps and lots of mushrooms. The last dish we ordered was a ginger beef stir fry. All the dishes were generously sized. Look forward to trying the other dishes when we visit the great falls park again. [read more](#). As a visitor, you can use the WiFi of the place at no extra cost.
