loves this place for a beautiful refreshing drink! my favorites are the taro tea and the kakao cream woven with milk cap. always a decent experience service smart, clean on the inside. it takes some time to make their drink in the rule, but it is worth it. definitely recommend to try if they are looking for a new place to get some boba! relativ new to the bladder tea phenomenon, but I was curious. I tried the kung fu milk tea with boba and loved him! great taste, was made fast, and the atmosphere is beautiful. prices slightly high, depending on what they get, but completely indicat for the quality that with! high recommended, will return both for my original order and explore other options!
