Our dine in experience was consistent with our expectations. We frequent the Bridgeville location often and the food is consistently good. Kid-friendliness: There was a table nearby with several kids. We could see interactions with the staff were very positive. Service: Dine in [read more](#). What [User](#) doesn't like about Pizza King:

- I love this place breakfast and many lunches/dinners at seaford location. after a month long battle with covid (no appetit) I sent my engagement to pick up order. much to my surprise, I found out after I order that they can't pay via the phone. I will now go to one of the many alternatives that allow me to pay online / via the phone. it's a shame because this evaluation really has nothing to do with eating, but all to do with customer service. The restaurant is accessible and can therefore also be used with a wheelchair or physical disabilities, and there is no-charge WiFi. If you want to try tasty American courses like burgers or barbecue, Pizza King from BRIDGEVILLE is the place to be, At the bar, you can unwind with a **cool beer** or other alcoholic and non-alcoholic drinks. Here they also grill **South American** fresh fish, meat, as well as beans and rice, For a snack, the delicious sandwiches, small salads and other snacks are suitable.
