What [User](#) likes about Greathouse Of Pizza:

So for [Casey](#), it's a great pizza. If you grew up in Chicago, it's just OK deep dish. I got a sausage and mushroom deep dish cake and I was satisfied with the sauce and crust, but the actual sausage was used very bland, nothing unforgettable about the taste. The cheese used is very good. All in, they get a great worth for their buck here. Just don't expect that blind malnatis is good. [read more](#). As a customer, you can use the WLAN of the restaurant at no extra cost, and into the accessible rooms also come guests with wheelchairs or physical disabilities. If the weather is right, you can also eat outside. What [User](#) doesn't like about Greathouse Of Pizza: this place is on the hill. It is a good place to go have a good pizza sitting and relaxing. Now they have to wait for her and the pizza is simply not the same run back and fourth on the counter we do not return. For years we have not braided on the pizza anymore. [read more](#). The establishment also offers its visitors a catering service. For a snack in between, the tasty sandwiches, healthy salads, and other snacks are suitable. In addition, you can expect typical *Italian cuisine* with delicious classics like pizza and pasta. You shouldn't miss the opportunity to try the flavorful pizza, baked fresh in an original manner.
