On this webpage, you can find the **complete menu of Ihop** from Alhambra. Currently, there are **18** dishes and drinks up for grabs. IHOP continues to be a mixed bag for diners, drawing both nostalgia and disappointment.

While some patrons enjoy the familiar comfort of the pancake chain, highlighted by friendly and dedicated service, others report issues with food quality and portion sizes that leave them unsatisfied. Notably, the pancakes often fail to impress, described as dry and lacking flavor. Though the ambiance may lack cleanliness at times and staffing appears stretched, many appreciate the addition of new menu items and the value of the all-you-can-eat option. Ultimately, IHOP remains a convenient choice for some, but not without its flaws.
