The management was awesome and great food and was very clean and the girl manager was great I can't remember her name but she was great definitely recommend stopping and eating there. [read more](#). The diner and its rooms are wheelchair accessible and thus usable with a wheelchair or physiological disabilities, Depending on the weather conditions, you can also sit outside and have something. What **User** doesn't like about Sonic Drive-in:

this place has great personal or management problems. the half of the time the stands are locked and there is only one passage available. the line moves in a chick pace, and the people simply hold in until there is no space to be in the line without their car being on the road. this also happens when the stands are actually open so they stay stuck until someone is up (if they can or wait for them when the line moves.... [read more](#). At Sonic Drive-in in Muscle Shoals, you get a diverse brunch for breakfast and you can at will feast, The dishes are usually prepared for you *fast and fresh*. The **burgers of this restaurant** are among the highlights and are usually served with filling sides such as French fries, leaf and cabbage salads or wedges.
