What [Julia Moreland](#) doesn't like about White Owl:

Picture a classic dive bar then make it even more divey and you have the white owl. Pretty dingey and dark inside, but the roof is AWESOME in the summer. Quick service and attentive servers. Wouldn't recommend the food they can only do baskets (so no basic fries) and they are def frozen then fried so you get some cold pieces. Very few vegetarian options. In this gastropub, you not only get delicious meals from the menu but also a comprehensive and particularly good variety of good beers and other alcoholic beverages that go well with the food, And of course, you should also try the **scrumptious burgers**, with sides such as fries, salads, or wedges served. One also grills *South American* here with fresh fish, meat, as well as corn and rice, You can take a break at the bar with a cool beer or other alcoholic and non-alcoholic drinks.
