With *original Asian spices delicious* traditional dishes are prepared in the kitchen of Saigon in Fort Wayne, It's possible to chill out at the bar with a freshly tapped beer or other alcoholic and non-alcoholic drinks. It's precisely the freshness and lightness together with the typical spices that not only brings fine dishes to the table, but also puts the guests into a pleasant holiday feeling temporarily, Also, the drinks menu at this place is exceptional and offers a significant and comprehensive diversity of both local and international beers, which are definitely worth a try.
