I also had the regular margarita, which was very good. If you are looking for good Mexican food, this should fit the bill. I definitely will be back. I would drive a little out of the way to eat here. [read more](#). My family came here. First off, Margaritas are a joke. They are all dailys mixer if there was tequila. Husband and I ordered house specials and they didn't put shrimp on it. When confronting the waiter, the waiter said it was his job to put the shrimp on the plate. He is a waiter not in food prep. First and last time I will ever go here.If I could give a 0, I would.Not worth \$75. [read more](#).
